As it happened when Aaron and I both worked on HASC issues in the House 2 years ago, I used to get emails directed towards him and he got emails directed towards me. Aaron, good to hear you made it back to CA, congrats on the new spot.

Best,
Aaron Thiele

Hi John and Gary,

I wanted to introduce you to Aaron Falk on our team, who is based in the Bakersfield office. After Cole's departure, Aaron has taken over the Porterville and Tulare County geography/portfolio. Aaron used to work in Washington for a GOP Member of Congress and moved back to his hometown of Bakersfield and is now working for Kevin. I've copied Aaron on this email and hopefully the next time he's in your neck of the woods you all can connect.

Thanks,

Kyle
